about NAEYC Week of the
Young Child**

Dear Kiddie Academy Families,

We hope that March was a wonderful month for you and your families!

Here at Kiddie Academy, we had so much fun celebrating a variety of special days, including St. Patrick's Day, International Women's Day, Pi Day, and the exciting arrival of spring. Our classrooms were filled with creativity, learning, and lots of smiles. Special congratulations to the winners of our Pi Day Pie Contest, Ms. Ruth and Lynette! We loved sampling everyone's delicious pies.

As we head into April, our Character Essentials® theme is "We Are Good Citizens." Throughout the month, we will focus on what it means to be a positive member of our community. Students will practice skills like honesty, kindness, responsibility, and respect through stories, group activities, and everyday classroom interactions. These lessons help build a strong foundation for social and emotional growth and keep our community strong.

Also in April, we are thrilled to invite you to our 10-Year Anniversary Celebration! The event will take place on Saturday, April 11, with a ribbon-cutting ceremony at 9:15 AM, followed by family-friendly activities from 10:00 AM to 12:00 PM. There will be food, engaging STEM activities, and a special storytime with Khailah Griffin (Miss Massachusetts 2025). It's going to be a memorable day, and we hope you can come celebrate with us! Please feel free to invite your friends and family, and RSVP on our website.

This month will also be full of fun and meaningful celebrations in the classroom. We'll be recognizing Easter, Patriot's Day/Marathon Monday, National Grilled Cheese Day, and Earth Day. Each of these events will bring unique opportunities for learning, creativity, and hands-on activities that the kids always love.

We hope that everyone is happy, healthy, and enjoying the start of spring. Thank you for being such an important part of our Kiddie Academy community. Your support and partnership mean so much to us, and we're grateful for your help creating a positive, nurturing environment where our children can thrive.

Warm wishes,
Kiddie Academy Team

New Teacher Spotlight

We're very excited to welcome Ms. Kunga to our team! Ms. Kunga has a degree in Statistics from Mount Holyoke College, and is interested in how kids' brains develop. She likes working with kids because they teach her patience and kindness. She will be joining us as an Assistant Educator in Toddler C.
