Valentine's day Celebration**
2/13

Lunar New Year
2/17

Dear Kiddie Academy families,

We hope you had a restful holiday season and are enjoying the winter weather while staying safe, warm, and cozy!

December and January were full of excitement here at Kiddie Academy. We wrapped up December with our Winter Spirit Week, where children and educators dressed up each day and enjoyed festive activities like winter science experiments and gingerbread decorating. It was a wonderful way to celebrate the season together.

In January, our students explored units focused on Arctic animals and other cold-weather creatures. We were especially thrilled to end the month with our First Annual Winter Concert and Luncheon. The kids were so proud to share their hard work and sing for their families. Thank you to everyone who joined us—your support truly helps our community thrive. We'd like to extend a special thank you to Ms. Thamanai for leading our music enrichment classes and to Ms. Bimala for preparing a delicious lunch for everyone to enjoy.

Looking ahead to February, our Character Essentials® theme is "We Are Unique." This month, we'll celebrate each child's individuality, creativity, talents, and sense of humor—the qualities that make every student special. Children will be encouraged to try new things, discover their interests, and appreciate different tastes and opinions.

As part of this theme, we'll also participate in Random Acts of Kindness (RAK) Week from February 2–12. During these two weeks, our community will work together toward a shared goal of spreading kindness through small, meaningful actions—such as helping a friend, sharing a toy, writing thank-you notes, giving compliments, or doing something thoughtful for a neighbor. We invite all families to join us in making kindness a daily habit and finding simple ways to practice compassion at home and in the community.

We're looking forward to an exciting February filled with celebrations for Black History Month, Valentine's Day, and Lunar New Year. And looking ahead, please save the date for our 10-year Celebration and STEM Adventures on Saturday, April 11 from 9am-12pm. This event will be open to the community, and we hope to see you there!

Warm Wishes,
Kiddie Academy Team

New Teacher Spotlight

Please join us in welcoming Ms. Maricelys (Mari) and Ms. Milagros (Nani)! Mari has 8 years of childcare experience, and will be joining our Infant teaching team. In her free time, Mari likes to read, sing, cook, and journal. Nani, who has been working with kids for 7 years, is joining us in Toddler B. Her hobbies include painting, dancing, and relaxing. We're thrilled to have Mari and Nani join our team, and encourage everyone to say hello and introduce themselves!
