Dear Kiddie Academy families,

We hope you had a wonderful February! While the snowy days may have kept us home more than usual, we hope you were able to enjoy some cozy family time together. We hope March will bring a little more sunshine and a little less snow!

February was full of joy and special moments at Kiddie Academy. Our students had so much fun exchanging valentines, sharing sweet treats, and spreading kindness on Valentine's Day. We had an exciting special visit from the dentist, who taught us all about the importance of dental health and keeping our smiles bright. The kids loved celebrating Lunar New Year, with extra special lessons led by Ms. Yingwen for our Preschool and Pre-K classes. It was wonderful to learn about and honor different traditions together as a community. We also celebrated reaching the 100th day of school!

Looking ahead to March, our Character Essentials® theme is "We Are Patient." Patience can be especially challenging for young children—after all, waiting is hard when you're excited! Throughout the month, we'll help our students understand why patience is important and give them lots of opportunities to practice waiting, taking turns, and managing big feelings in positive ways.

We have several exciting events coming up in March. On Monday, March 9, we will recognize International Women's Day and adjust to Daylight Saving Time. To help our teachers ease into the earlier morning, families are invited to bring a favorite iced coffee, tea, or other morning beverage to share. On Pi Day, we're looking forward to hosting our First Annual Pie Tasting Competition (for adults only). More details will be shared soon, and we hope many of you will participate by baking a favorite pie or joining in on the judging. And, of course, we're excited to celebrate St. Patrick's Day on March 17. Keep an eye out—there may be a few mischievous leprechauns visiting our classrooms!

As always, thank you for being such an important part of our Kiddie Academy community. We are so grateful for your partnership in creating a safe, nurturing, and joyful place for our children to learn and grow.

Warm Wishes,
Kiddie Academy Team
