Fun Friday Twin Day
5/29

Dear Kiddie Academy Community,

Thank you to all the families, friends, neighbors, and guests who came to support our 10th Anniversary STEM Adventure Open House. Our ribbon-cutting ceremony was honored by the presence of City Councilor Tim Toomey, who was here at our Groundbreaking and Grand Opening ceremonies ten years ago! We welcomed Miss Massachusetts 2025 Khailah Griffin, Cambridge Fire Engine 5, Cambridge Police Department and our Landlord Mr. Ko. Families enjoyed hands-on science and engineering activities, face-painting, cotton candies, music time, photo-booth, breakfast and barbeque all hosted by our own Kiddie Academy educators and experienced staff!

Kiddie Academy Mission Statement IV states: Kiddie Academy is committed to providing well-trained child-care professionals who are dedicated to partnering with families and passionate about educating children. On April 3's Professional Development Day, Kiddie Academy's entire staff had a productive round-table discussion on protocols in emergency responses, role played emergency scenarios, and visited our emergency backup meetup place on 1280 Cambridge St. I aim to deliver our promises in the Mission Statement by prioritizing the training of our educators and staff.

We are kicking off May with Teacher Appreciation Week of "Kiddie Academy of Cambridge Airlines!" We start off Monday with Captain's Breakfast prepared by Ms Emmy, Cabin Comfort on Tuesday with Goody bags with snacks and spa treats, Layover in Italy on Wednesday with Lunch from Alfredo's Italian Kitchen, Ice Cream Bar on Thursday and Baggage Claim on Friday with First-Class Educator Gifts with Chinese Take-Out lunch sponsored by Elaine! A BIG THANK YOU to Ms Emmy, assisted by Ms Milly, for the careful planning and execution, and all the parents and Elaine for their contributions!

Kiddie Academy mothers, grandmothers and mother-figures are invited to Mother's Day brunch on Wednesday, May 13. We also celebrate Haitian Heritage Month of May.

This month's Character Essentials® theme is "We Are Responsible." Being responsible means being dependable, keeping promises, and honoring your commitments. When one is responsible, one shows independence and diligence when carrying out tasks and making decisions. Both our Kiddie Academy educators AND caregivers including parents, grandparents, aunts and uncles are great role models for our little ones!

Sincerely,
Elaine

Staff Anniversaries

8 Years
Bimala

3 Years
Farzana

Ms Bimala's career with Kiddie Academy has been aligned with our effort to promote from within. Ms Bimala joined us in May 2018 as our infant assistant teacher. While she worked with our children during the day, she took college-level classes in the evening and weekend and obtained her EEC Teacher Certification. She was our beloved Infant Teacher through COVID, until she took over the chef position last year. Ms Bimala loved caring, cooking and feeding others. Ms Bimala's dedication to the children in her care and her work-ethic is second to none. Kiddie Academy is so lucky to have her serving our families all these years. I look forward to working with Ms Bimala for many years to come.

Since Ms Farzana joined Kiddie Academy as an Assistant Teacher, she has been one of the primary teachers in classrooms of all age groups in the last three years. She is also an amazing cook and she is our backup chef when our chef is out. Our children and families love Ms Farzana. Her co-teachers also enjoy working with her very much.
