

Academy Parent Letter / Highlights

Hello Kiddie Academy families! Get your allergy medicine ready as we are experiences some bloom at the start of our spring. As we move into the new season, please dress our child in appropriate clothing and bring extra clothes such as: underwear, socks, pants, long sleeve shirts, and even shoes. For coats and jackets, please remember to write your child's name on them to avoid any switch-ups. Thank you in advance. We will be kicking off the month with a whole bunch of silliness on April 1st aka April Fool's Day! This month is filled with fun! The goal this month is to help the children understand what it means to be a good citizen, not only within the classroom community, but in the world around them. At this stage, children are more experienced in having to compromise. They are learning to consider the needs or opinions of others. Fairness and honesty are also very important to school-age children. They insist on everyone following the rules of games and understand why telling the truth is important. Practicing these traits, along with stressing the need to be accountable for one's decisions and behavior, will help the children create a more peaceful classroom and community environment. Compromise: recognizing that there is more than one way to solve a problem; reaching an agreement with someone in order to solve a conflict. Fairness: treating others equally with respect and kindness; giving everyone the same opportunities to be successful. Honesty: telling the truth and acting truthfully. Accountability: being responsible for one's own actions and behaviors; following rules and expectations; making good choices Thank you families for participating and helping our academy grow and continue to be a welcoming place for all families! We will be hosting our Parents Night out on Friday April 3rd th from 6-8. We will also be hosting our annual Egg-stravaganza on friday April 3rd at 10AM.

If you have any questions, please feel free to ask Ms. Mel or Ms Selina.
Thanks for being a part of our family,

Thank you

Ms. Mel and Ms. Selina

Classroom Updates:

Happy April Shark Families!

Welcome to April! We will be having our Egg-stravaganza Party on April 3rd and kindly ask for donations. The party starts at 10am and each child needs a basket/bucket for their goodies. Our sign up sheet is posted by the Sharks door, any help is greatly appreciated!

We will begin the first week of April wrapping up our insect theme. Our following themes for the month will be Our Earth and Terrific Tales. The letters of the month are: X, I (short sound), and Z. Our colors of the month are yellow & blue. The shape of the month is a star. We will also be focusing on counting from 0-20.

This month our character essentials is "We Are Good Citizens." At this stage, children are beginning to show care for others and the world around them. Children develop a sense of community and citizenship when they have opportunities to engage and interact with groups of children. Early preschoolers are becoming more aware of other children and are beginning to participate in cooperative play. They still need support to help navigate this new stage of play. During this stage, it is important for children to have opportunities to engage in child-directed play, learn how to solve conflicts in social situations, and to be responsible for their actions.

Please make sure you are sending every child with a sheet and blanket for nap time. Sheets and blankets are to be taken home and washed every Friday! Also please ensure your child is coming to school with a labeled water bottle everyday. Additionally, the Sharks share cubbies and space can be tight. Please check your child's cubby daily for any artwork, soiled clothes, or anything that may need to be brought home.

If you have any questions or concerns please do not hesitate to reach out! :)

Thank you,

Ms. Karine and Mr. Eevie

Parents, We are having our Egg-Stravaganza 4/3 at 10 AM, for school-age it will be when children arrive from school. If you would like to sign up to bring something, we are still in need of Turkey and cheese sandwiches, veggies, fruit and filled plastic eggs (No nuts please) if anyone would like to help please see our sign up sheet out side our classroom or speak with Ms. Kea-Lani.

Also please send children with water bottles so children can bring water with them outdoors during the warmer weather :)

Thank you,

Ms. Kea-Lani
