

Core Values and Commitment

Kiddie Academy of Firewheel

4812 N President George Bush Hwy, Garland, TX 75040 | kiddieacademy.com/firewheel

At Kiddie Academy of Firewheel, our commitment is simple:
to create a community where children feel safe, supported, and inspired to grow into their very best selves.

Every day, our core values guide how we care for children, how we serve families, and how we support our team. These values reflect the “why” behind everything we do - why we show up, why we go the extra mile, and why we approach early childhood education with purpose, joy, and dedication.

Our Core Values

Integrity

We choose what is right over what is convenient. Children learn by example, and integrity forms the foundation of trust in our classrooms, relationships, and community.

Relationships

We believe meaningful connections build thriving communities. We work in partnership with families, uplift our team, and create an environment where every child and adult feels valued, welcomed, and included.

Responsibility

We understand the profound trust families place in us when they share their child with our Academy. We show up each day with intention, professionalism, and care, knowing that every choice we make shapes a child’s experience.

Curiosity

We foster curiosity in children and adults alike. Exploration, questioning, and discovery fuel learning, and we embrace each day as an opportunity to grow, innovate, and adapt.

Passion

Early childhood education is a calling. Our passion drives us to create joyful, engaging classrooms and to support children as they build confidence, independence, and a lifelong love of learning.

Impact

Every moment matters. From the way we greet each family to the lessons we craft for our classrooms, we aim to make a positive, lasting impact that supports children today and empowers them for the future.
