Picture Day 4/8
Picture Day 4/9

Dear Kiddie Academy families,

We are excited to welcome you into a fresh new season and a new chapter for our school! As many of you know, our academy is now under new ownership and leadership. During this transition, your kindness, patience, and encouragement have meant so much to us. We are truly grateful for your continued trust and support as we move forward together.

As we reflect on March, we are proud of the many wonderful moments we shared. Our Kiddie Academy family had the opportunity to support students in our Cypress community at the Houston Rodeo, celebrating local youth and their achievements. We also hosted a very successful Spring Break Camp and Farmers Market Community Event filled with fun, creativity, and memorable experiences for our students and families.

Looking ahead, we are excited to begin preparing for our CampVentures summer program! We can't wait to bring more engaging activities, hands-on learning, and fun-filled days to your children this summer. Please let our staff know if your child plans to attend CampVentures this year.

We have also launched a \$500 scholarship program which is currently available for new families through the end of April. We encourage you to refer your friends and family. Your positive reviews and word of mouth continue to be our most valuable resources!

Picture Day is coming up soon! This year, we have started a new partnership with Images 4 Kids for our school photos. We're excited to offer a fresh experience for our families. Please note that our Pre-K students will also be taking special cap and gown photos to celebrate their accomplishments. More details will be shared soon!

A few important re-enrollment updates:

- For families participating in the Pre-K Partnership program, please be on the lookout for your re-enrollment forms for the upcoming 2026 school year.

As we enter April, we wish all of our families a joyful Easter and a month filled with happiness, growth, and new beginnings.

Thank you again for your continued support and for being such an important part of our Kiddie Academy family. We are excited for all that lies ahead.

Warm regards,

Kiddie Academy of Longenbaugh-Cypress Leadership

Character Essentials Monthly Theme: We Are Good Citizens

Our Character Essentials® theme throughout April is We Are Good Citizens. In the classroom, we focus on fostering the character values necessary to becoming a good citizen, such as compromise, fairness, honesty, and accountability. Outside the classroom, we encourage you to do the same!

A great way to encourage good citizenship is by helping children understand how to care for the world around them. You can start by exposing them to their local community and inviting them to participate in things like a neighborhood clean-up, recycling efforts, or taking care of an elderly neighbor's garden or flower bed. This will help your child understand that they are a part of a larger community.

Another way to teach good citizenship is by having a family meeting to plan a special day, trip, or activity that you can all do together. Start by listing everyone's ideas and then decide on a way to compromise so that all ideas are represented.

Some books you can read with your child to encourage good citizenship include:

- "Red and Yellow's Noisy Night (The Olive Branch)" by Josh Selig
- "Talk and Work It Out" by Cheri Meiners
- "The Day No One Played Together: A Story About Compromise" by Donalisa Helsley
- "Want to Play Trucks?" by Ann Stott
- "You Can Handle Conflict: Hands or Words?" by Connie Colwell Miller
- "David Gets in Trouble" by David Shannon
- "How Do Dinosaurs Stay Friends?" by Jane Yolen
- "Mine!" by Jeff Mack
- "The Little Red Hen" by Paul Galdone

NAEYC Week of the Young Child April 11th-17th

We are proud to celebrate Week of the Young Child, a special time dedicated to recognizing the importance of early childhood education and the impact it has on young learners. This national celebration, led by the National Association for the Education of Young Children (NAEYC), highlights the value of high-quality early learning experiences and the role families and educators play in a child's development.

As a NAEYC-accredited academy, this week is especially meaningful to us. It reflects our commitment to excellence, strong relationships, and providing a nurturing, engaging environment where every child can grow, learn, and thrive.

How We're Celebrating:

Each day, our students will participate in fun, themed activities along with optional dress-up days to bring the excitement to life:

Music Monday – Rock Star Day

Students will explore music and movement while dressing like their favorite rock star, pop star, or dancer.

Tasty Tuesday – Little Chef Day

Classes will enjoy special snacks while dressed as chefs or bakers.

Work Together Wednesday – Team Spirit Day

We'll focus on teamwork through group projects, and students can show their spirit by wearing their favorite team shirt or matching with a friend.

Artsy Thursday – Colorful Creations Day

Creativity takes center stage with fun art projects, and students are encouraged to wear bright, colorful, or artsy outfits.

Family Friday – Family Pride Day

We celebrate our families with special activities, and students can wear something that represents their family, such as matching shirts, family colors, or a meaningful item.

Participation is optional, but we look forward to a week full of fun, learning, and celebration!

Classroom Updates

Scholastic Book Fair - We're excited to announce that our Scholastic Book Fair will be held March 30th through April 6th!

This is a wonderful opportunity to spark a love of reading and let your child explore books they'll be excited about. Families are invited to browse and shop a great selection of age-appropriate titles right here at our academy.

Every purchase helps support our classrooms and literacy programs, so thank you for being part of this special event. We can't wait to see our young readers discover their next favorite book!

Easter Parties - We're looking forward to celebrating Easter with fun classroom parties and our annual egg hunts on April 3rd! Families are welcome to donate pre-filled eggs with peanut-free candy or small toys to help make the event extra special. While donations are appreciated, our academy will provide plenty of eggs to ensure every child can participate and enjoy the fun. Thank you for partnering with us to create a safe, joyful, and memorable experience for all of our students! Reminder: we are a nut free facility!

Extra Clothes - As we move into the warmer spring season, please update your child's extra clothing to be weather-appropriate.
